

# CALARTS ALMA MATER

as sung to the tune of the Mickey Mouse Club Alma Mater

To Thee we sing dear old CalArts;  
we praise the Black and Blue.

Thou alabaster labyrinth,  
we pledge we shall be true, be true.

And so, dear fortress on the hill,  
our hearts before you lay –

# Graduation

The ceremony will last approximately three hours & thirty minutes, followed by an indoor reception in the Main Gallery.

## —→ GUEST INFORMATION

### **STAGE AREA**

We thank you for refraining from approaching the stage. This area is restricted to graduates. To avoid obstruction of anyone's view, a team of Institute photographers and videographers will document this celebration. Photos will be available for download and sent to the graduates.

### **CEREMONY**

As graduates, families, and friends look forward to this milestone with excitement and anticipation, we ask that you please remain seated until all graduates have been presented and the ceremony has concluded. The celebration will continue throughout the evening with a reception being held indoors in the Main Gallery immediately following the ceremony.

## RESTROOMS

can be found on both sides of the stage on the 1st and 2nd floor of the main academic building. *Please see any volunteer for further assistance.*

## ADA ACCESSIBLE RESTROOMS

are located on the first (ground) level as well as on the second level. Note: Those needing ADA accessible restrooms may enter through the glass doors on the ground level. When facing the stage, the glass doors will be on your left. ADA accessible restrooms are also located on the second level.

## GENDER INCLUSIVE RESTROOMS

are located on the third level near the Stevenson Blanche Gallery, adjacent to the Main Gallery. Anyone may use these restrooms regardless of their gender identity or expression.

## SMOKING

As a courtesy to those around you, please refrain from smoking while seated in the Graduation Courtyard.

## ACCESSIBILITY

American Sign Language (ASL) interpretation is available during the Graduation Ceremony. For an assigned seat with a clear view, please contact a volunteer. Seating for wheelchairs on the lawn may be made anywhere. For wheelchair users requiring a hard surface or other accessibility needs, a section has been reserved along the exterior wall of The Herb Alpert School of Music.

## ALCOHOL

The consumption of alcoholic beverages in the Graduation Courtyard is permitted only to those who are of legal drinking age (21+ years old). Any person who appears to be 30 years old or younger will be asked to provide a valid photo ID. Wristbands are required to be served alcoholic beverages at the reception. You may obtain a wristband prior to, and after, the Graduation Ceremony in the Main Gallery.

## FLOWERS

Many students opt to wear an orchid lei during commencement. If you did not pre-order your flowers online, you may still purchase bouquets and leis at the Blue Wall near the main entrance, and at various stations in the Graduation Courtyard.

## ASSISTANCE

If you need assistance during the ceremony for any reason, please contact a volunteer. Volunteers will be identifiable from their purple Graduation t-shirts. Emergency medical staff and Campus Safety staff will be on campus throughout the event.

An abstract geometric design on a dark blue background. It features a large circle in the upper left quadrant, partially enclosed by a vertical line and a horizontal line. Several other lines, including horizontal, vertical, and diagonal ones, intersect across the page, creating a complex geometric pattern. A small four-pointed star is visible at the intersection of a horizontal and a vertical line on the right side.

## WAYNE SHORTER

Wayne Shorter (born August 25, 1933) is an American jazz saxophonist and composer. Shorter came to wide prominence in the late 1950s as a member of, and eventually primary composer for, Art Blakey's Jazz Messengers. In the 1960s, he went on to join Miles Davis' Second Great Quintet, & from there he co-founded the jazz fusion band Weather Report. He has recorded more than 20 albums as a bandleader.

Many of Shorter's compositions have become jazz standards, and his output has earned worldwide recognition, critical praise, and various commendations. Shorter won 11 Grammy Awards. He has also received acclaim for his mastery of the soprano saxophone (after switching his focus from the tenor in the late 1960s), beginning an extended reign in 1970 as DownBeat's annual poll-winner on that instrument, winning the critics' poll for 10 consecutive years and the readers' for 18. The New York Times described Shorter in 2008 as "probably jazz's greatest living small-group composer and a contender for greatest living improviser." In 2017, he was awarded the Polar Music Prize.

## CHARLES LLOYD

Charles Lloyd (born March 15, 1938) is an American jazz musician. Though he primarily plays tenor saxophone and flute, he has occasionally recorded on other reed instruments, including alto saxophone and the Hungarian tárogató. Lloyd's primary band since 2007 has been a quartet including pianist Jason Moran, acoustic bassist Reuben Rogers, and drummer Eric Harland.

In January 2015, it was announced that Lloyd had signed with Blue Note Records. *Wild Man Dance*, a live recording of a long-form suite commissioned by the Jazztopad Festival in Wrocław, Poland, was released in April 2015. Lloyd was presented with an honorary Doctor of Music degree from the Berklee College of Music in a ceremony at the Umbria Jazz Festival in July 2015. In 2016, Lloyd was inducted into the Memphis Music Hall of Fame. In March 2021, Blue Note released *Tone Poem*, the third album by Charles Lloyd & the Marvels. In addition to three new Lloyd originals, it features compositions by Leonard Cohen, Ornette Coleman, Thelonious Monk, Bola de Nieve, and Gábor Szabó.

## esperanza spalding

esperanza spalding (born October 18, 1984) is an American jazz bassist and singer. Her first musical inspiration came at the age of four when she saw Yo Yo Ma play classical cello on *Mister Rogers' Neighborhood*. She taught herself to play violin at an early age and earned a spot in the Chamber Music Society of Oregon. spalding only picked up bass after her high school music teacher walked in on her messing around with the instrument and taught her a bass line on the spot. The chance moment launched spalding on a musical career that included attending Berklee College of Music on a full scholarship, winning multiple Grammys, and performing at the White House at the request of President Barack Obama.

In 2011, spalding won the Grammy for Best New Artist—unprecedented for a jazz musician up against high profile pop, hip-hop, and rock artists. In 2013, spalding won two Grammys for Best Vocal Album and Best Instrumental Arrangement.
